Office: 607-223-1294
TDD: 711

Michael Roberts
Highway Superintendent

September 23, 2025

PRESS RELEASE

The Town of Owego Highway Department will be doing a fall leaf pick beginning the week of October 20, 2025. Please pile your leaves neatly to the curb or roadside, but not in the road. Do not put your leaves in bags as we will not be able to pick up the bags. We will be around to vacuum up the leaves. Keep in mind, the nozzle of the vacuum has a limited reach. Also, do not include any garden/plant waste, ornamental grasses, sticks or foreign objects with the leaves as these can slow our process and/or break our machine. We anticipate coming back each week throughout the season, weather permitting. You do not need to call to schedule a pick up.

If you have any questions, please call us at (607) 223-1296.

Very truly yours,

Michael Roberts
Highway Superintendent
